## Success Highlights

You have unique business goals, challenges and budgets, and we use these to design a strategy built for your success. Whether your business is new and scaling, established and looking for a refresh or moving in a new direction, Mindspin can get you there.

---

In fact, we've already done just that for a number of clients. Here are a few highlights of how our marketing strategies helped our clients succeed.

*Client 1*  
**CRESSblue**

Mindspin successfully positioned CRESSblue on par with or superior to some of the world's leading brands. This was accomplished on a vastly smaller budget than these billion-dollar corporations, starting with zero momentum.
